G. B. Road, Thane (W).

RESPONSE:

Schools are important to their communities, and communities support schools so they can keep giving all children a top-notch education, which benefits society as a whole. In the same way, educational institutions have a responsibility to acknowledge society issues and expectations. We must teach our students about the societal demands and issues related to government programs and policies, as well as facilities, health, and education, as a college that creates teachers. Engaging a large audience and imparting information and expertise on specific issues to the broader public are the goals of outreach initiatives. Such activities teach our students the value of contributing to society.

An Overview of the TEI's Outreach Initiatives:

The goal of our outreach initiatives has been to influence and raise students' awareness of social issues while also advancing community development. These projects cover a broad spectrum and include social awareness campaigns, community service, and partnerships with groups that promote the welfare of society.

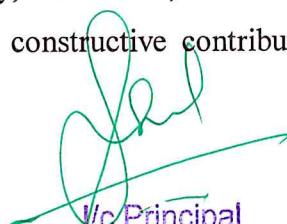

Following is the thorough report that describes these actions in detail:

a. COMMUNITY SERVICE INITIATIVES:

SMIT Old Age Home: As part of their community service requirements, our students visit SMIT Old Age Home in both semesters I and IV. There, they interact socially, play games, and offer emotional support and companionship to the elderly people.

Shree Rang Ashram: The College arranges for students to visit Shree Rang Ashram and engage in a range of volunteer activities, including food preparation, cultural event planning, and daily task assistance to support the inhabitants.

Aarna Foundation: Students work together with the Aarna Foundation on community service initiatives with an emphasis on environmental sustainability, healthcare, and education. Through this cooperation, students are encouraged to make constructive contributions to society and acquire a feeling of social responsibility.

V/c Principal
Dnyan Ganga Edu. Trust's
College of Education (B.Ed.)
At Borivade, Kasar Vadavali Naka,
C. P. Road, Thane (400

COVID Helpers: The TEI organized campaigns to raise awareness about safety procedures, provided critical supplies, and provided mental health assistance to frontline workers in order to support COVID helpers throughout the COVID-19 pandemic.

b. SOCIAL ISSUE SENSITIZATION PROGRAMS:

Cleanliness Drive: The College organizes cleanliness drives in nearby parks, neighbourhoods, and public areas, to raise the community members' awareness about cleanliness and hygiene. The significance of waste management and environmental conservation is also emphasized by these campaigns.

Yoga Sessions: The college offers yoga classes for staff, students, and the community because it understands the comprehensive advantages of the practice. These sessions focus on stress management and mental wellness in addition to physical well-being.

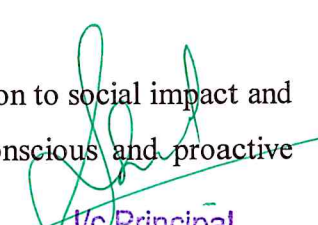

Seminar about Transgender: In order to inform students and the public about the challenges encountered by the transgender population, the TEI had hosted an exhibition as well as a seminar on transgender rights and inclusion. Experts and activists were invited to speak at the event. The seminar's objectives were to increase acceptance, understanding, and inclusivity.

Autism Awareness Session: The college held workshops in partnership with groups that promote autism awareness in order to expand awareness of autism spectrum diseases, debunk myths and stereotypes, and encourage acceptance and support for those who have autism.

Contribution to Community Development:

The college has significantly contributed to community development through these outreach programs by encouraging a culture of empathy, compassion, and social responsibility among students; by bringing attention to urgent social issues and promoting involvement in their resolution; by establishing collaborations with local organizations and associated stakeholders to increase the influence and longevity of projects; by empowering people and communities by providing assistance, advocacy, and education and by organising sensitization campaigns to build a more just and inclusive society.

Outreach programs at the institution demonstrate the college's dedication to social impact and holistic education, helping to raise a new generation of socially conscious and proactive people who are committed to making a good difference in society.

Dnyan Ganga Education Trust's College of Education, Thane organized a Webinar on Teenage Stress-Awareness and Management in association with Vishwakalyan Samajik Sanstha as on 4th March 2021, Thursday from 1.00 p.m. to 2.00 p.m. on Google Meet online platform.

The program was organized by S.Y.B.Ed students as a part of our Community Work Program. The program started in the presence of our Honourable Principal Ma'am – Dr. Anjana Rawat. of DGET B.Ed college, Our Resource person - Ms Chaitrali Wanker (Director of Vishwakalyan Samajik Sanstha) our Professors and teachers who were present throughout the entire program.

Dr. Anjana Rawat
Principal
Dnyan Ganga Edu. Trust's
College of Education (B.Ed.)
At Periyade, Kasar Vadavali Naka,
G. B. Road, Thane (W).

A warm welcome speech was presented by Ujjainee Ghosh and welcomed our Principal, Resource Person and all the faculty members and students. She gave a brief introduction about the topic.

An introduction speech was presented by Sreeja Raghavan and discussed about Stress Management. Stress management is a wide spectrum of techniques and psychotherapies aimed at controlling a person's level of stress, especially chronic stress, usually for the purpose of and for the motive of improving everyday functioning. Also, the ways to overcome stress was explained by her.

Next, Saima Miskat explained us about the stress among the students which they face in their day to day scenario, also the causes and effects of such stress like academic stress, lack of self esteem , family problems etc which causes various psychological and behavioral effects on students.

Further, Simran Gabeja throwed some light on a important topic Puberty by explaining the meaning of the word puberty and different stages of puberty (both in males and females). Also she described the different challenges faced by the children during puberty and the ways to overcome them.

A small video "Exam ka pressure" was presented by Pratima Kulkarni which showed the real pressure and stress faced by the students during the examinations.

Stress Management in Real World was introduced by Suchita Sahu. A small example with glass of water was illustrated to show how stress affects you physically and mentally and also the ways to handle stress for both parents and teenagers.

Our Resource person, Ms Chaitrali Wankar spoke few words on the topic which was really helpful and informative and also answered few questions which was asked live by the audience. Involvement of everyone in the event and made event more colorful and entertaining. Feedback on overall webinar session was positive and encouraging to each one of us.

Teachers from the college also gave speech and congratulated us for such wonderful program. It made us feel positive and we feel encouraged and are thankful for their guidance and support to us. Vote of Thanks was given at the end of the program.

Sub: Celebration of UDAAN Festival -2018 on Tuesday 16 & Wed. 17 Jan, 2018 at your College.

Sir,

With reference to our recent communication, this is to request you to kindly organize UDAAN festival at your college on **Tuesday 16 & Wed. 17 Jan, 2018** at 9 am. to 5 pm. There will be two competitions viz. Street Play and Poster competition for Extension Work students from 19 colleges from nearby locality. We are pleased to inform you that the Department would like to provide the following material and share the responsibilities for organizing UDAAN Festival at your college.

1. Organizing Memento / trophies for the winners in Street Play and Poster Competitions.
2. Memento for Guest of Honour (for one person from host college).
3. Banners of the function to be displayed on the Dias (size 8 x 6 feet) .
4. Banners at the registration counter & near the main gate of the college (Quality 3, size 6 x 4 feet)
5. Participation certificate for all the participants (students & teachers) in UDAAN Festival.
6. Honorarium of Rs. 500/- (each) per day for Two Judges of Street Play & one Judge of Poster Competition .
7. Tea, snacks & lunch printed coupons only (for participants per day).
8. The attendance sheet of the college participants will be submitted by the colleges on the location.

We expect the following responsibilities at your end:

- a. Provision of College Hall with seating arrangements of about 250 participants per day with other infrastructure facilities viz lights and 5-6 mikes (including 2 hanging mikes) on the dais for street play. Please reserve first row in the hall for dignitaries and guests of honour.
- b. Appointment of Judges of the competition and separate seating arrangements (table, chairs with electronic / digital display timer / alarm if available) for them in the hall.
- c. Provision of Morning tea, snacks and working lunch to all the participants.
- d. Separate provision of tea and snacks for dignitaries, judges and guests of honour.
- e. Table and chairs at Registration Counter for participants near the hall entrance.
- f. Class room or mini hall / corridor for poster competition where nearly 30 posters can be displayed well.
- g. Student volunteers for every event / activities.

We request you to kindly organize the festival at your college on **Tuesday 16 & Wed. 17 Jan, 2018** at 9 am to 5 pm and hope excellence at all levels of organization of this UDAAN Festival 2018.

With warm regards.

Report of Children's day Programme

As we are aware, Children's day in India is celebrated every year on 14th of November to increase the awareness of people towards the rights, care & education of children.

Children's day was also celebrated at Dnyan Ganga Education Trust's College of Ed (B.Ed) G. B. Rd, Thane (W) on 14th of November, Thursday, 2018.

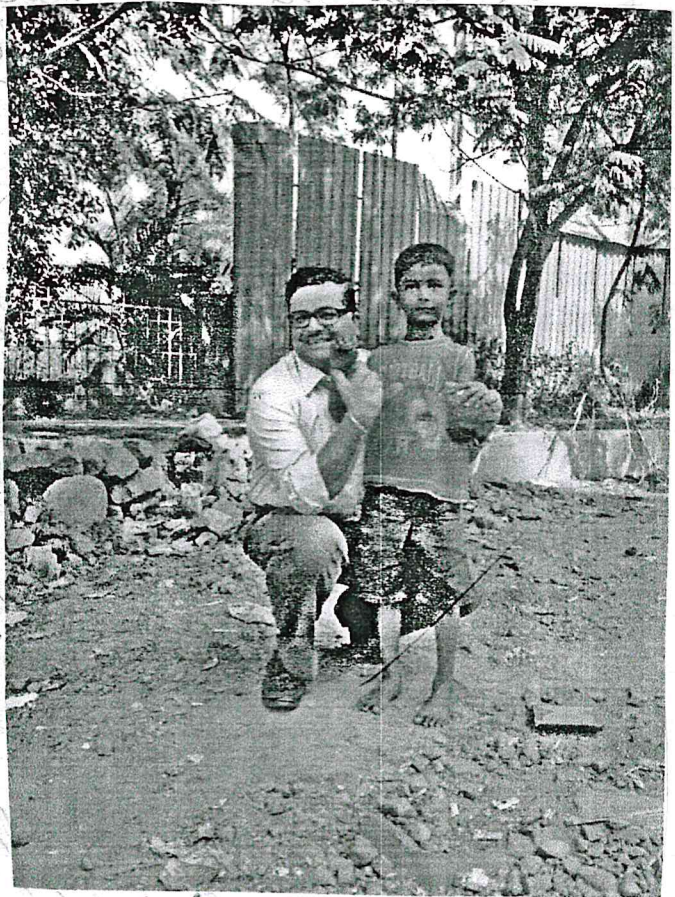

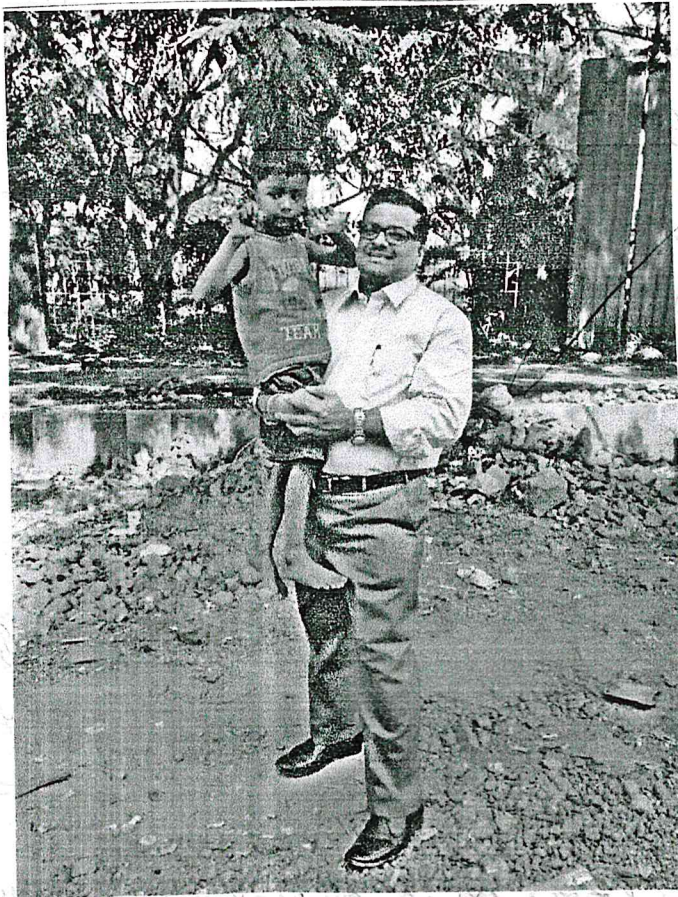

Our expert Prof. Mr. Ketan Kamble and Prof. Mrs. Samita Upadani along with the F.Y.B.E students organized Children's day programme at NGO Aarna Foundation, near R.G. Thakur School, Sauvarkar Nagar, Thane West.

The program started with the introduction of every child from the NGO. It was a lot of experience to know every child. Various games were conducted for the children with the teachers and caretakers of the institutions. Toys, books, clothes, colour pens, different colours etc. ~~was~~ were donated to the NGO by us. We also carried and distributed chocolates, biscuits, sweets to each and every child. There was great interaction with applause, cheers, and it was a enthusiastic crowd. Teaching & the distributed needs. They win our hearts with their innocent smiles. They joyously celebrated their childhood for some time with

As guided and instructed by our Principal
ma'am Mrs. Anjana Rawat. Some of us help
one deprived child by sharing our love ^{and} caring
by giving chocolates biscuits and spending some
quality time with them to make their (children)
day a special.

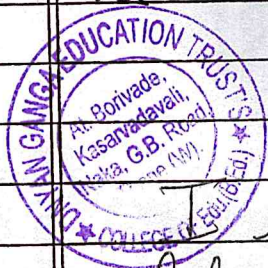

It was also a tribute paid to our India's
first prime minister Pandit Jawaharlal Nehru
on his birthday.

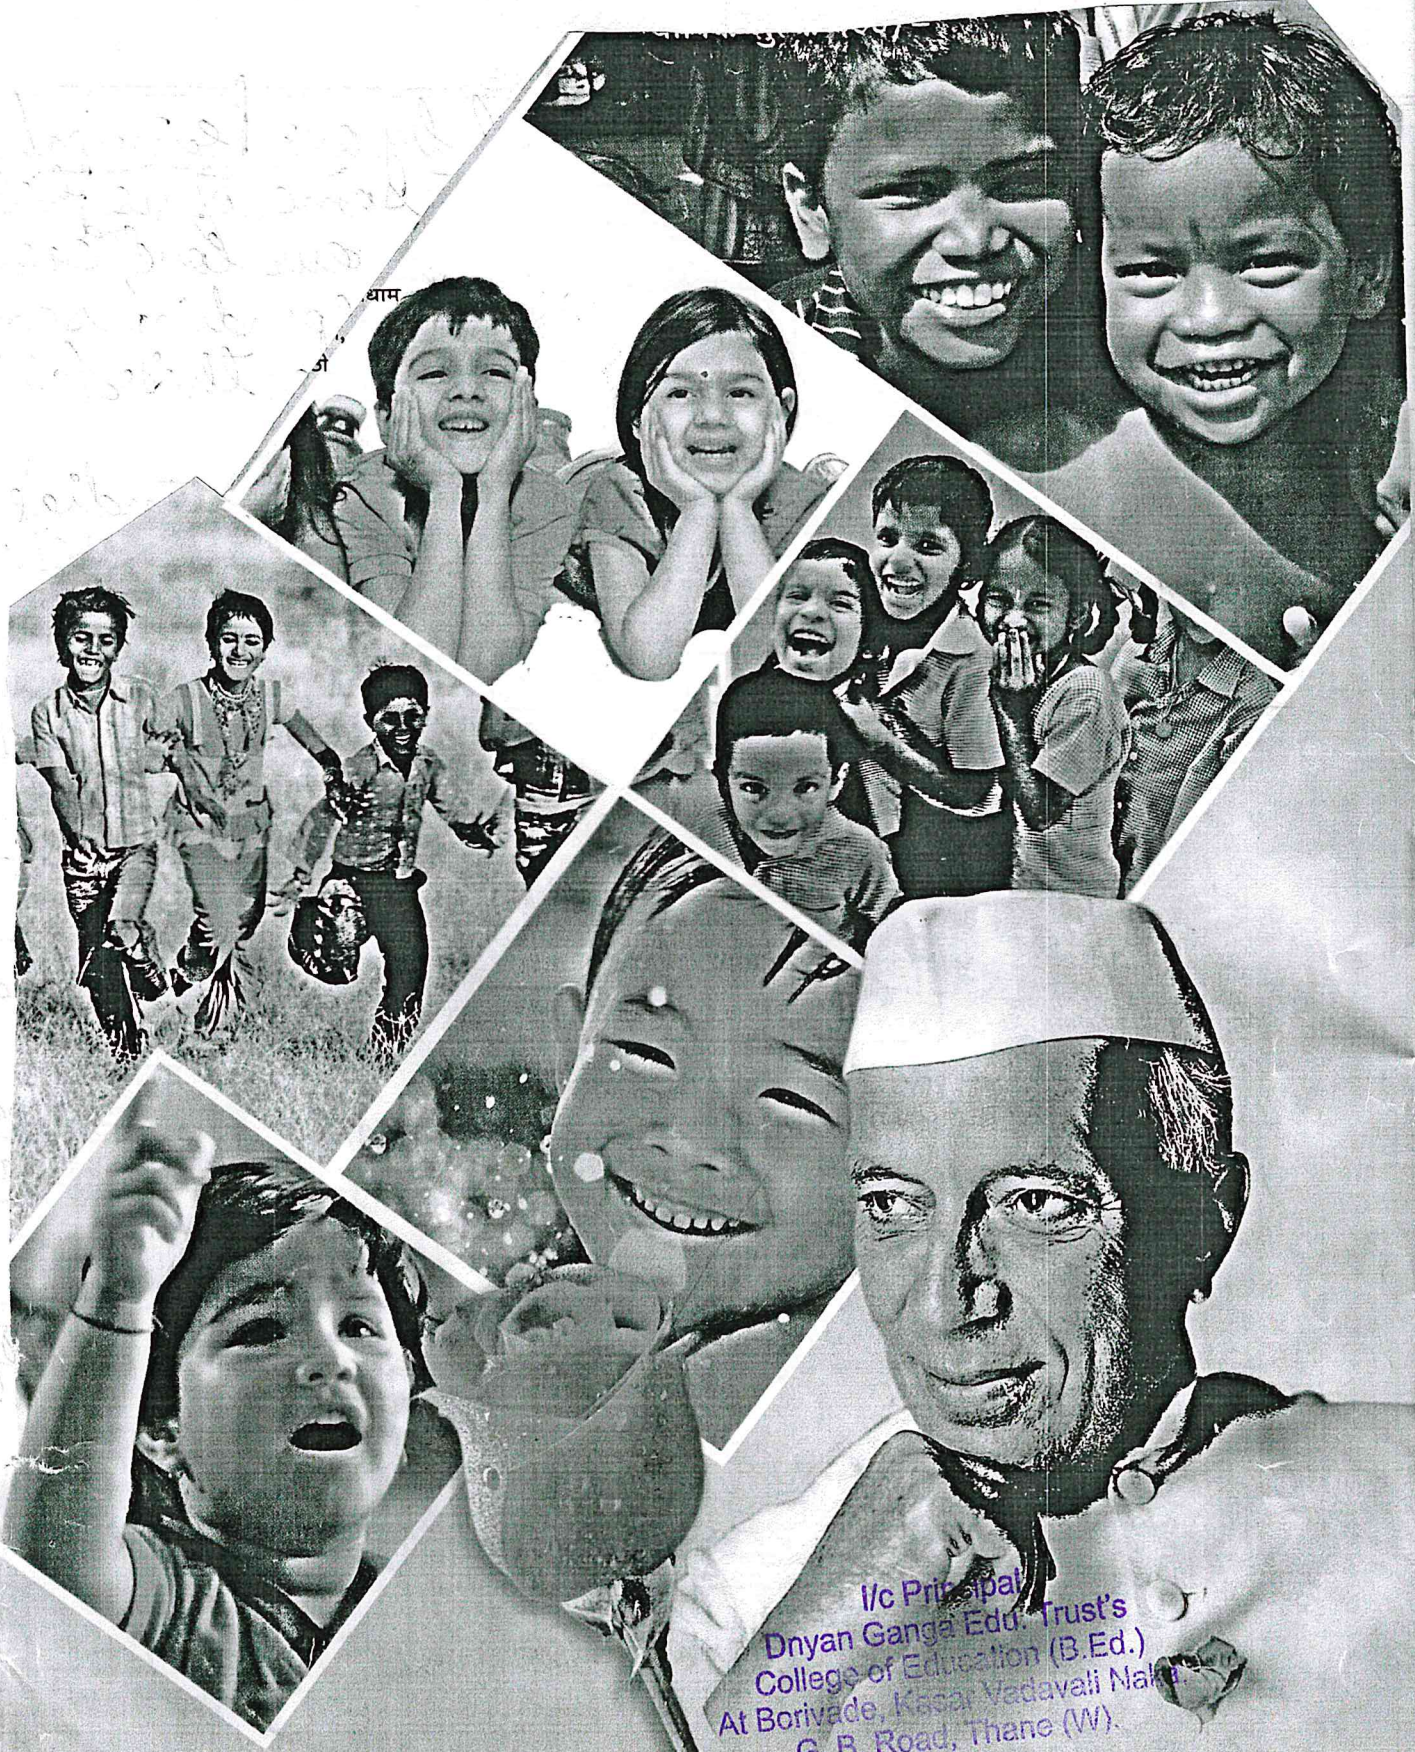

As it is a special day for children the slum
and orphanage children are deprived of festivities
at home. This visit by us provided a gala
celebration with all the eatables. Amusement
by listening to patriotic leaders during
their narrations. Built in personality of citizenship
growth, cultural, traditional responsibilities
towards their beloved mother country. As the
proverb says. "Today's children are tomorrow's
citizen of the country."

Thus, this day was indeed a very
interesting, and memorable day for all of
us.

My Reflection - by Sameer Munde

I came to know that Children's Day is
celebrated across India to increase
awareness of the rights, care and education
of children. Many educational and social
programmes are held across India ^{for} children.

बालदिनाच्या प्रगतीचे आम्हीच आधार
 चाचणे हे स्वप्न करू साकार

बालदिनाच्या हार्दिक शुभेच्छा!

I also came to know that Children's Day (also called as Bal Divas) in India is celebrated on 14th November in India every year.

Since 1959, the World's Children's Day was celebrated on 20th November every year making & marking the UN adoption of Declaration of the Rights of the Child 1959. After the death of Jawaharlal Nehru in May, 1964 it was decided unanimously to celebrate the children's Day on 14th November in India every year commemorating the birthday of Jawaharlal Nehru who was very much fond of children. Children are the God's gifts to their parents by the almighty. They are innocent, admirable, pure and loved by everyone.

Thus, this report writing helped me to write and learn the above information, which I can share with my students after completion of this 2 yrs B.Ed course.

Interview Session by Prof. Ketan Kamble with Rickshaw Driver Mrs. Saroj Patphode (Thanshi chikami)

"Dnyan Ganga Education Trust's College Education (B. Ed) Thane (W) organized a Interview session by Prof. Ketan Kamble Sir with the female Rick Driver Mrs. Saroj Patphode in the college Auditorium. She worked at Jupiter Hospital a 'maushi' for 5 years, At Vivang mall as a security guard, she is called as शाहीची राणी.

At the starting of the Interview at 4:30pm A film (collection of Saroj tai's photos) showing the journey of film life was shown. The efforts for creating this film was taken by FY B. Ed student micky singh.

The interviewee Prof. Ketan Kamble started the interview by asking the first question to the interviewee Mrs. Saroj Patphode as (शाहीची राणी)

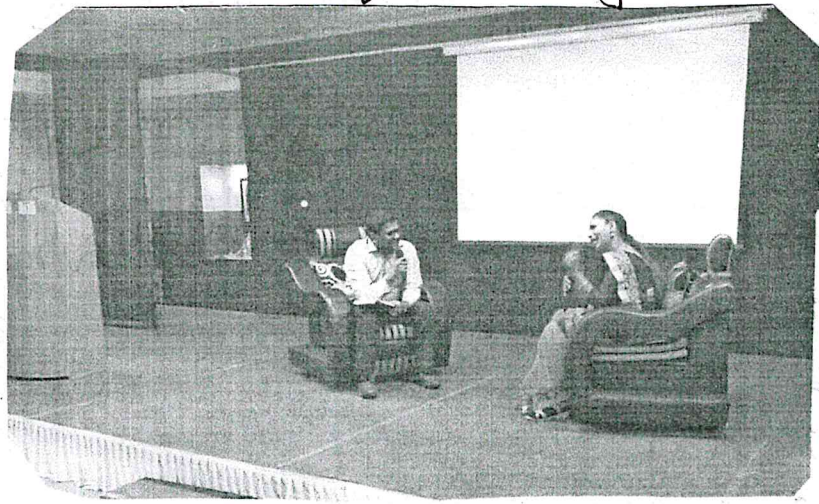

राणी तुम्हाला काय मज जिवाला काय मज काय शाहीची राणी
Saroj tai said she studied in municipal school and got married and started staying in the interior i.e. in a village. She got inspired by Mrs. Anamika Bhalekar, Thane's first woman rickshaw driver, who has a wi-fi connect newspapers to read, tea/coffee flask, water bottle to offer to her passengers.

Saroj tai said that after her marriage she along with her family shifted to Thane. She took loan and bought her own rickshaw. She took the help of Thane's Nagar Senik and opened rickshaw stand for more than 500 female. Thus, she was a passionate and hardworking woman. She has today a Whatsapp group of these

500 young and dashing women. Being a typical Indian classical woman her first priority is her husband, children and house. Her family always supported her work. For today's interview also her brother accompanied her.

She is really a woman of courage, hard work, patience, self care & gratitude. Today she is a President of. श्रीमती प्रज्ञा चव्हाण अकादमी and not only took care of her house but also others.

Prof. Ketan Kamble sir ended the interview at 5pm with a beautiful poem on his topic 'gender' in Hindi/English language.

Prof. Lavita Upasani thank the interviewees interviewee for sharing their views and also each and every one present. Special thanks were given to Mikky Singh and Vicky, for technical support.

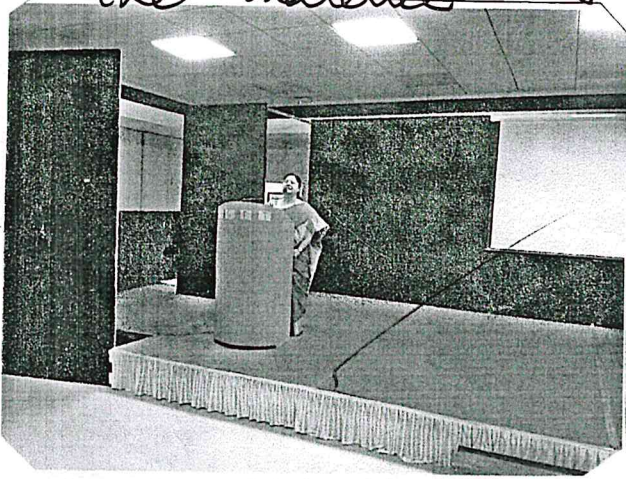

my reflection - by Sameer mus.

I was endowed with greatness, as she has a positive attitude to divide us from idea conception to realization. She had the super women's quality to overcome each and every obstacle with a positive attitude. She was soft hearted with a strong mind. She was a woman of integrity and had the quality to mold the great women of tomorrow. She's focused on the next step and faces every challenging circumstance in her life. Thus I learnt from her that Dare to struggle today so you can win tomorrow. Develop these traits, and you'll make a difference in your future.

ANNUAL REPORT OF DLLE ACTIVITIES IN 2018-19

DLLE: The Department of lifelong learning and extension established on October 12, 1978 and had been recognized as a statutory department of university of Mumbai since 1994 to promote a meaningful and sustained rapport between the universities and community.

Mission & Goal:

The Mission is to maintain the voice of helping professionals focused on servicing college and university students in mental health setting.

Goal of DLLE:

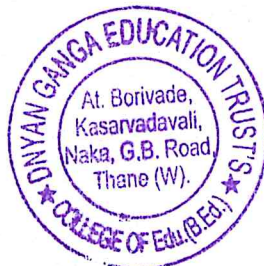

1. Promoting the aims and values of human development in community college and universities
2. Providing a forum and place for exchange of ideas, innovations, research and students
3. Increasing the representative voice of these traditionally undeserved and ignored in society.
4. Encouraging interaction, support and networking among all students affairs professionals
5. Providing an opportunity for mental health professional health to become involved in participatory leadership.
6. Identifying suitable mode of counselling

THE EXTENSION DIMENSION: There are seven types of extension work project are being offered by the department under two different units

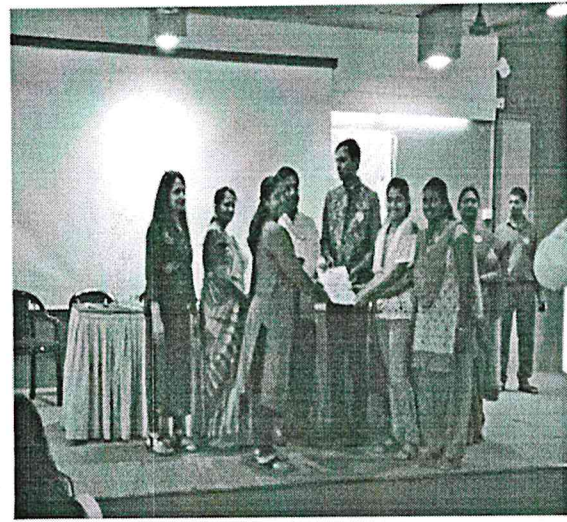

1. Vocational career oriented project
2. Community oriented project

Accordingly in 2017 college enrolled for Extension activities by respected Principal ma'am Dr. Anjana Rawat .This was the second year ,so this year S.Y.B.Ed students were told enroll for Community oriented project PEC and F.Y.B.Ed students enroll for Vocational career oriented project APY .

The second year orientation programme of our Department of Life Long Learning and Extension was held in the Bhandarkar College, Thane. DLLE Extension teacher of the College Asst. Prof. Mrs. Savita Upasani with the two student's manager of S.Y.B.Ed. 1. Deepalee Satpute 2. Amutha Konar attended the orientation programme. The program commenced at around 9 in the morning and it was continued till 1.30 in the noon. The college authorities and the student volunteers were all co-operative and well managed the whole program. The field co-ordinator Mrs. Vrunda Manjramkar is the staff of that college managed the whole programme with her communication skills.

Vc Principal
Dnyan Ganga Edu. Trust's
College of Education (B.Ed.)
At Borivade, Kasar Vadavali Naka,
G. B. Road, Thane (W).

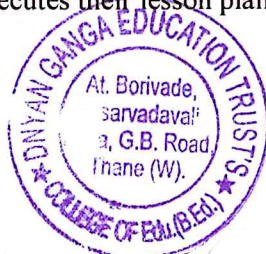

Later on the Department Director Dr. Dilip Patil sir spoke some few words on the programme and the also shared their experiences .Nearly about 30 colleges each with there in charge and student managers were present in the auditorium for the program.

After that the, best part was the refreshments. The refreshments were ordered to a poor lady who had made all the eatables so fresh, healthy, and it tasted like a homemade food ... actually it was indeed a homemade food. So even during orientation programme by DLLE it has given opportunity to the poor lady for food. So thinking of such awesome work by the department, we have enrolled into it and are foreseeing for a better tomorrow.

On 18th August students were distributed into 7 groups and topics were given for the lesson plans, street play and other college and community level Programmes.

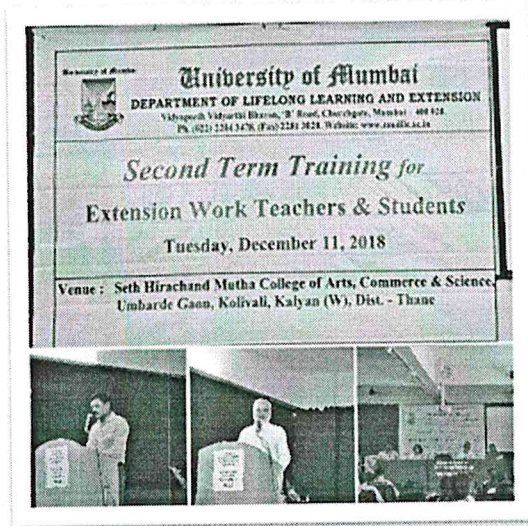

As the part of PEC, students went to community work from 10-12-2018 to 14-12-2018 to different NGO i.e. Aarna English High school, Khushiya foundation, Saksham NGO and Samarth Bharat. In the community work students executes their lesson plans of PEC activity. At the same time they took some awareness programme.

Then on 11th December 2018 both the extension teacher Mrs. Savita Upasani and Mrs. Debaleena Roy along with F.Y. B.Ed. student manager 1. Shweta Kamath 2. Mikky Sing attended second term training programme.

The second term training program of DLLE was held at Seth Hirachand Mutha College of Arts, Commerce and Science, Kalyan on Tuesday, 11th

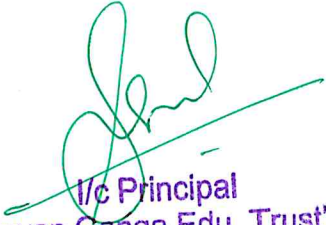

December 2018 from 10.00 a.m. to 3.00p.m.

The First year student of B.Ed. College enrolled for APY activity so to give them exposure, opportunity and motivation the food fiesta was organized.

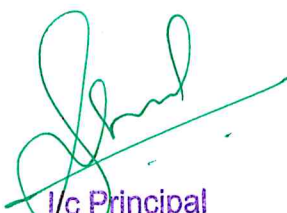

“Food for the body is not enough. There must be food for soul”.

As per the adage, Dnyan Ganga Education Trust's college of education organized Food Fiesta on date: 2nd march 2019 time: 9:30 am to 3:00 pm at dget premise

To assess students understanding the practicalities of the business market, a unique food fest was organized by DGET B.Ed. students. We the B.Ed. students were asked to market and sell our products which included different kinds of food items.

Every year the Department of Life Long learning (DLLE) organizes the Annual Extension Work Festival titled “UDAAN- The flight of Extension” in various districts of Maharashtra. Students of Extension Work from various colleges come together and give performances through Street Play and Exhibit Posters on the activities undertaken by them on Seven Extension Work Projects. The main objectives of the festival are to create awareness about the field of Extension Work done by the University of Mumbai through affiliated Colleges in the Community. To create awareness about social issues through the street play on extension work projects with the focus on College Youth in six districts. To give the opportunities to the students to enhance their skills and to co-relate with the new avenues in the Field of Management, Education and Entrepreneurship in this modern technological world

Principal

College of Education (B.Ed.)
At Borivade, Kasar Vadavali Naka,
G. B. Road, Thane (W).

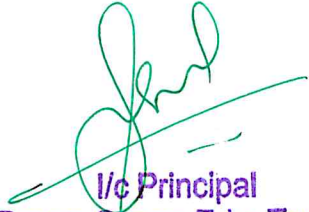

Udaan Festival was conducted at MVM's College of Commerce and Science, Andheri on 1st February 2019. Two Competitions were organized for the Annual Festival "UDAAN: The Flight of Extension: 2018-2019", Street Play Competition & Poster Making Competition. We the students of DGET College also performed and participated in the Udaan festival. We had practiced for the skit and the topic of the skit was Rights and Justice of Transgender in Indian society named as 'Naye Bharat Ki Nayi Pehchaan'. Other colleges also participated in the skit and the topics that covered the need of the hour were Transgender, Women empowerment, Dowry, Girls Education, HIV AIDS, Violence against women, Gender Equality, ragging of students in college and other topics such as Save Food and Scarcity of food in rural areas. It was an enriching experience for all the participants in the skit as it was an eye opener for all of us who got to know that it's high time for the society to give respect to transgender which they deserve as a human being.

At care foundation, Khar students of PEC perform skit on Menstruation. Menstruation is one of the gods gift to the women, which give them power to become a mother. But thousands of people from around The world treat menstruation as a weird thing.

Later, the group of students of the Dnyan Ganga B.Ed. College performs the skit based on menstruation, through which we suggested remedies, do's and don'ts during menstruation. The skit end with motivational song for women.

Then, chief guest of the program Dr. Rachna Dayama provide information and guidance on the many more women health issues such as PCOD, thyroid, breast cancer, menopause, menstruation issues etc. Dr. Also provide information on 'How we can avoid breast cancer by taking proper care and monthly observation'.

 I/c Principal
 Dnyan Ganga Edu. Trust's
 College of Education (B.Ed.)
 At Borivade, Kasar Vadavali Naka,
 G. B. Road, Thane (W).

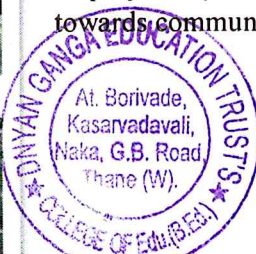

Dnyan Ganga Education Trust College (B.Ed.) also celebrated this day in partnership with Khushiya Foundation, and the Celebration was unique in all terms. As the theme for International Women's Day 2019 was: 'Think equal, build smart, and innovate for change'. The focus of the theme was on innovative ways in which to advance gender equality and the empowerment of women, particularly in the areas of social protection systems, access to public services and sustainable infrastructure.

Once all the ladies were gathered, the students performed a Skit, which conveyed a message on Importance of Hygiene during menstrual period. The skit was to make them aware and to encourage them to use Pads during Menstrual period and also to make them understand that it doesn't make a woman impure in any sense

Then the Students of DGET (B.Ed.) purchased Eco Friendly Sanitary Pads worth Rs.30 from Khushiya Foundation and distributed to the women of that vicinity. Later all the students clicked pictures with them. The women of the vicinity were grateful for all the efforts taken by the Students and Khushiya Foundation.

Thus this year efforts were taken to achieve objectives of community oriented projects and career oriented projects by organizing various activities to enhance students employability skills and to sensitizes them towards community

REPORT ON INTERNATIONAL WOMENS DAY CELEBERATION

Friday,
8th March 2019

International Women's Day (IWD) is celebrated on March 8 every year.

International Women's Day is celebrated in many countries around the world. It is a day when women are recognized for their achievements without regard to divisions, whether national, ethnic, linguistic, cultural, economic or political.

Dnyan Ganga Education Trust College (B.Ed.) also celebrated this day in partnership with Khushiya Foundation, and the Celebration was unique in all terms. As the theme for International Women's Day 2019 was: 'Think equal, build smart, innovate for change'. The focus of the theme was on innovative ways in which to advance gender equality and the empowerment of women, particularly in the areas of social protection systems, access to public services and sustainable infrastructure.

Asst. Prof. Debaleena Roy Ma'am and Asst. Prof. Savita Upasani Ma'am accompanied the Students of Dnyan Ganga Education Trust to Celebrate the International Women's Day at Roti Ghar Area, near Teen Hath Naka, Thane West with the underprivileged Women of the vicinity. All the B.Ed. Students of First Year and Second Year Actively Participated in the Celebration. All Students gathered at Roti Ghar Area, and then the students gathered all the women and children living in the near by vicinity. Once all the ladies were gathered, the students performed a Skit, which conveyed a message on Importance of Hygiene during menstrual period. The skit was to make them aware and to encourage them to use Pads during Menstrual period and also to make them understand that it doesn't make a woman impure in any sense. She has a right to enter kitchen and do all the other work as well. Young girls were encouraged not to miss school or not to drop out from education system once they enter into puberty phase of menstruation.

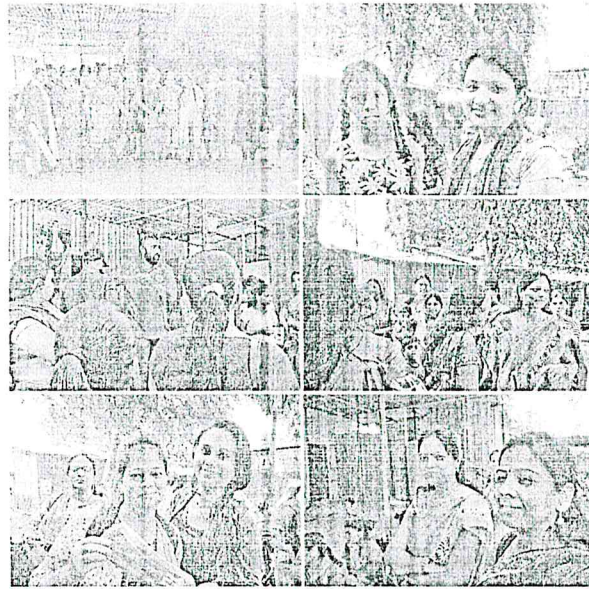

The Street Play was very well received by all the Women's. They appreciated the thought and also showed willingness to change their way of living.

Later Khushiya Foundation inaugurated the Nari Pathshala, where the ladies were taught to write their names in English by the DGET Students. DGET students also informed them the importance of knowing basic Banking system and that one should not be dependent on others for such things where others could do fraud with our finances.

Then the Students of DGET (B.Ed.) purchased Eco Friendly Sanitary Pads worth Rs.30 from Khushiya Foundation and distributed to the women of that vicinity. Later all the students

clicked pictures with them. The women of the vicinity were grateful for all the efforts taken by the Students and Khushiya Foundation.

It was a fruitful event and all the Students were able to develop an increased sense of social responsibility allowing them to connect with community and make it a better place. Even helping out with the smallest tasks can make a real difference to the lives of people, in need. And volunteering is a two-way street: It can benefit you and your family as much as the cause you choose to help. Dedicating your time as a volunteer helps you make new friends, expand your network, and boost your social skills. Thus, all the Students had an enriching experience and were able to make a small but effective change in someone's life and were also able to enhance their Social Skills.

This report is worded Deepalee Satpute.

Asst. Prof. Savita Upasani (DLLE In-charge S.Y.B.Ed.)

Asst. Prof. Debaleena Roy (DLLE In-charge F.Y.B.Ed.)

Asst. Prof. Ketan Kamble (Co – curricular In-charge)

Dr. Mrs. Anjana Rawat. (I/c Principal)

Report on “Covid Helper Skills for Student Community”

Date: 3rd June 2021

Time: 2:00 PM onwards

Venue: Virtual platform Zoom

The workshop on ‘Covid Helper Skills for Student Community’ started at 2:00 PM on 3rd June 2021 on the online virtual platform Zoom. It was organised for the student community and the guidance was given by Ms Jayshree Jani Madam, MGNCRE. The workshop was started by our respected principal Dr. Mrs Anjana Rawat Madam, she thanked the administration of the Dnyan Ganga Education Trust for organising this national level online workshop. She explained the importance of this workshop and also talked about the current COVID pandemic situation and added how it is affecting the mental as well as physical health of the people. She said it is a challenge to fight with this pandemic. She said that MGNCRE is doing a remarkable job by training students to be volunteers and help to fight with this corona situation. Afterwards assistant professor Mrs Savita Upasani Madam introduced the resource person miss Jayshree Jani Madam, from MGNCRE, Ministry of Education Government of India. She told, how miss Jayshree Jani mam achieved many awards and facilitations during her career for her dedication and hard work in various fields related to education. The workshop then continued by miss Jayshree Jani Madam. She thanked the college administration and all the students for conducting and participating in this workshop because they are the youth and can play a very important role fighting against this corona situation. She showed some videos and other visuals related to corona pandemic, what exactly it is, how we need to fight with it, what measures we can take, how can we guide people, help people to fight with this and keep themselves safe. She said that the students can play very vital role because they are very big in numbers and contribute so much with different ways to the patients as well as their families in this pandemic situation .she explained that the covert volunteers have been divided into five groups and each group is having individual tasks to do which includes covid hospital information, vaccination centre information, psychological help to the covid patient and the families, the NGOs who are working for this help etc. Then Madam asked till now what contribution or any effort has been done by the students of our college .Taking the workshop forward our class representative Mrs Bindu Vijay Kumar madam gave the introduction about the community work supported by our college which includes, the college community work done in association with NGO’s .Miss Gayatri Shringare madam told about the donation drive run by the college in association with Vishwa Kalyan foundation after that, Mrs Deepti Nair madam shared the cancer caused donation drive by first year B.Ed. students .Then few students of first year B.Ed. shared their personal community work reports as, Umesh Indse, Shweta Bajpai, Harneet Kaur, Monica Saxena, Deepti Nair. Ms. Jayshree ma’am also explained the role play methods and the role of each team in training themselves as covid helpers. At last, but not the least vote of thanks had been given by Mrs Swetha

Anandasivan madam.

DNYAN GANGA EDUCATION TRUST'S COLLEGE OF EDUCATION

Dated: 13th August, 2022

Theme:

Rakshabandhan and DLLE taste burst competition

Final event:-

On the 12th of August 2022, an official invitation for the DGET college of B.Ed. was sent by our Principal ma'am Dr. Swapna Khairnar to celebrate Raksha bandhan which was to be scheduled on the 13th of August 2022 Saturday. It was mentioned in the notice that the day would be celebrated keeping in mind that the focus would be on Environment Conservation. So a group was formed for the same and they took the responsibility along with the rest of the student teachers to celebrate the day with great enthusiasm and vigour. It was also advised that we would be celebrating the day by wearing green colour as the theme was based on Environment Conservation.

On the day, the event started off with an assembly based on the significance of Rakshabandhan and Parsi New Year. The assembly was conducted by F.Y.B.Ed students Harshada Pawase, Ramira Dsouza, Tracy Raje and Kanakalakshmi Swaminathan. A Prayer song based on Krishna was sung followed by Thought of the day and Significance of the Day and the day was also significant for World Organ Donation Day and World Left Handers Day. A song was sung by Kanakalakshmi to commemorate the day followed by the headlines of the day. Asst.Prof. Savita Upasani gave her valuable feedback after that.

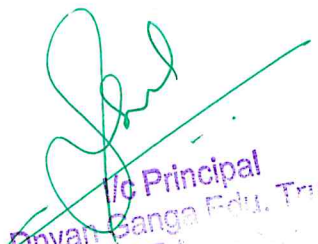

After the Assembly there was an event of DLLE taste burst competition wherein the DLLE participants of F.Y.B.Ed had to prepare a dish based on tricolor theme of our national flag and conduct the food exhibition. There were various participants with their colourful food palette. The event was conducted successfully and it was judged by our respective Principal Ma'am Dr. Swapna Khairnar, Asst.Prof. Savita Upasani, Asst Prof. Pratibha Kambli. The event was judged on the basis of taste, preparation, display and presentation. All had done their best and tried to please the judges taste buds. The event ended with a group photograph.

After the DLLE event we proceeded on to our main event of the day i.e. RakshaBandhan celebration. RakshaBandhan is mainly celebrated between siblings to bestow their love and affection for each other. Sisters tie Rakhi to her brothers and pray to God for his well being and in turn the brother pledges to protect her. Rakhi is also tied among friends and close ones. Rakhi thread is tied on the wrist with a belief and prayer of protection from all the evils and blessing for a long and prosperous life. As it was announced by our Principal ma'am that the focus of the day would be based on Environment Conservation, the student teachers with the guidance of our teachers and Principal had decided to get plants and place in the college premises and tie an Eco friendly Rakhi to the plants as it will protect us and our future generation and in turn we will also try to conserve, preserve and protect nature. With this agenda and goodwill the event started. A Puja was performed by our Principal ma'am followed by our teachers. Around 10 plants were kept and the Ecofriendly Rakhis were tied to each plant by our Principal, Teachers, Student Group Leaders and Council members like Class Representative and the General Secretary. Each one performed a Puja and tied the Rakhis by promising to take care of the Environment and Conserve them for us and our future generation. The event thus came to an end by distribution of sweets and clicking of pictures for a beautiful memory of the event.

Report on Seminar on Autism Awareness

Date: 11th February 2023

Venue: DGET's auditorium

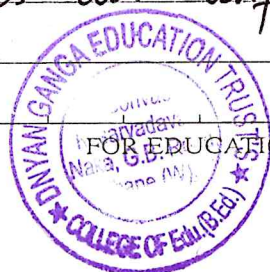

Educational and awareness seminars provide an opportunity to explore topics by discuss and to identify and resolve questions that may arise after the discussions. To help us build appropriate knowledge and awareness about a sensit topic, 'Autism', a webi Seminar was organised at DGET's College of Education, B.Ed on 11th Fe 2023 in the auditorium.

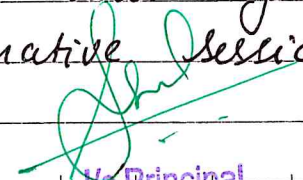

The seminar was started by welcome the speakers from Butterfly learnings. A welcome note was delivered by Prof. Rachana Das, followed by lighting of diya by our Principal Dr. Swapna. Khairnar and the guests along with other teacher. Guests and speakers from Butterfly learnings were introduced by Prof. Rachana Das. She also gave a brief introduction about 'What is Autism' and shared her personal experiences of raising an autistic child. After her session, Ma'am invited the speaker Ms. Harshada Samant on stage who is a Supervisor and a registered behaviour Technician at Butterfly learnings. She is Master in Psychology from University of Mumbai.

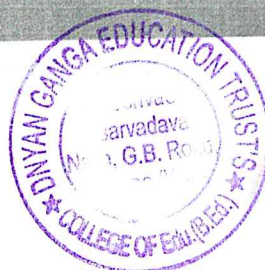

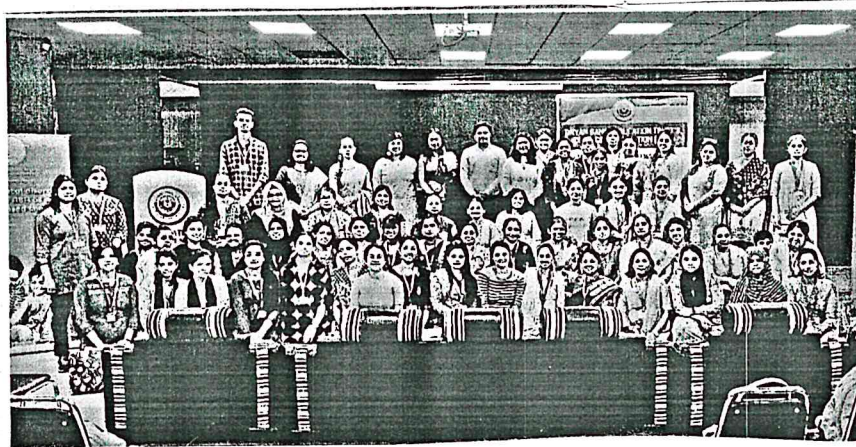

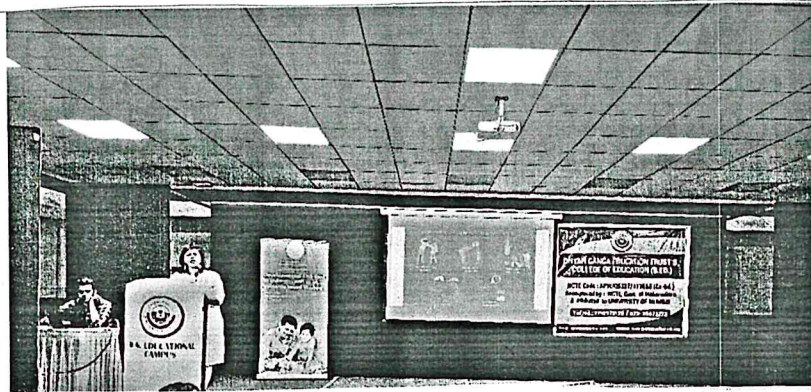

Harshida Ma'am shared her experience of working with autistic children since last few years. She shared the details of autism, ASD (Autism Spectrum Disorder), ADHD (Attention Deficit Hyperactive Disorder) Neurological development disorders etc. She shared with us different ways how an autistic or a differently abled child should be treated. She explained the details of learning disability, dysgraphia, dyslexia, dyscalculia and dyspraxia with the help of ppt. presentation.

We received an insight of an important topic of 'autism'. After the explanation session Mr. Inshad Sayed was invited on stage to provide details of career and work pattern at Butterfly Learnings. Sir gave a detailed explanation of the career roadmap and courses for ABA (Applied Behaviour Analysis). He also motivated all of us to come forward to work for a noble cause of helping autistic and other special children.

To conclude the session, some students from F.Y.B.Ed as well as S.Y.B.Ed shared their personal experiences. Vote of thanks was given by Prof. Sushmi Sona, and the programme ended by singing National song and group photograph. It was an informative session.
