Response: The library is very keen to fulfil the information needs of students and teachers. All the new policies of concerned apex bodies, along with national curriculum frameworks, are made available in the library. The library also purchased many books suitable for all the 3 streams of teacher education – general teacher education, special education, and physical education. The library also subscribes to many journals and magazines to fulfil the requirements of the above streams of education. Reference books on different subjects are purchased as per recommendations received by teachers. Books are also obtained through the donation process to build a good collection.
