5.3.1 Student Council is active and plays a proactive role in the institutional functioning

RESPONSE:

The college has a dedicated student council for each batch of students, which assists in managing the formal communication between the students and teachers. The members of the student council are elected through a secretive ballot system. The student-teachers engage in effective campaigning and, on election day, they cast their votes confidentially. The council members are then elected based on the amount of votes each candidate has received.

This council is established in accordance with the constitution outlined by the Maharashtra Public University Act of 2016. Section 99(3) of the Maharashtra Public Universities Act of 2016 established the Student's Council. The Student Council consists of members who have been elected.

The Student Council is responsible for administering, enforcing, and adhering to the Student Council responsibilities.

- Attend all official meetings and make minutes
- Assist in the scheduling and drafting of agendas and minutes
- Create and distribute agendas for all meetings
- Bridge the gap of information discussed in the meetings and pass it on to the rest of the students
- Take follow-ups of various tasks assigned by the teachers
- Create harmony and discipline between the students and represent their issues to the teachers and principal in the meeting.

The positions available in the council are as follows: -

- General Secretary -
- Class Representative -
- Cultural Secretary -
- Joint Cultural Secretary -
- IT Expert -
- Joint IT Expert -
- Sports and Field Visits In-charge
- Women Development Cell representative

The student-teacher who receives the most votes is appointed as the General Secretary, while the candidate with the second greatest number of votes is designated as the Class Representative.

The roles of the GS (Graduate Student) and CR (Course Representative) are crucial during the entire period of the course. They facilitate communication and collaboration between teachers, support staff, and student-teachers on all matters about the teaching and learning process. They assist in the organisation and implementation of both academic and co-curricular events organised by the institution, serving as representatives on committees such as CDC, IQAC, and the library committee. Additionally, they assist in communicating any uncertainties or inquiries from the student-teachers to the professional members.

The council members act as intermediaries between the staff and the students.

The student-teacher responsible for each cell assists in the preparation and coordination of the seminars, workshops, and activities carried out by the cell, and also actively participates in them. Each member of the student council is responsible for fostering a positive and respectful connection with the staff members and student-teachers. This is crucial for the effective functioning of the institute and the seamless execution of daily teaching and learning activities.

Dated: 25th November, 2023

ALUMNI MEET REPORT

An official invitation for a Grand Meet and Greet session was sent by Dnyan Ganga Education Trust's College of Education to the ex-student teachers of DGET B.Ed. The event was scheduled for Saturday, November 25, 2023. The purpose of the meeting was to form an Alumni Association and Alumni committee to collaborate with Alumni for better quality of teaching and learning, and to rebuild the lost connection among the B.Ed. family.

The Alumni meet was held at the DGET Auditorium on November 25, 2023, and it was filled with excitement and nostalgia. The audience included our I/c Principal, teachers, current first and second-year B.Ed. students, and ex-students. The meeting began with the traditional lighting of the lamp, accompanied by the Saraswati Vandana song.

Everyone was greeted by our I/c Principal Ma'am, who highlighted the importance of Alumni, followed by a brief description of the Alumni by Asst. Prof. Ms. Rachana Das and Asst. Prof. Ms. Pratibha Kambli. Alumni are great role models for current students and are often well-placed to offer practical support to students as they start their careers. The alumni give support to the students through interaction, guidance, and placement.

The event's highlight was the presence of DGET B.Ed's ex-I/c Principal Dr. Anjana Rawat Ma'am. Dr. Swapna Khairnar Ma'am felicitated her, and she shared her wisdom and guidance with everyone present there.

Ex-students were called upon to share their insights and views about the institution and their memories and experiences. Umesh Indise, Bindu Vijaykumar, and Nandini Pathak from the 2020-2022 batch shared their experiences followed by Payal Sharma, Pravina Patil, Renitta Dsouza, Tracy Raje, Susheeja Sudhakaran, and others from the 2021-2023 batch. All of them had very cherished memories and lots of things to share, which was helpful and guided the current students for their future endeavors.
