6.2.4 Effectiveness of various bodies/cells/committees is evident through minutes of meetings and implementation of their resolutions/decisions

The college management diligently endeavours to offer students opportunities to assist the marginalised and destitute individuals who have been forsaken by society. This cultivates a feeling of solidarity among individuals, a longing for fairness in society, a readiness to make selfless acts, and an aspiration to act as a conduit for societal transformation on behalf of God.

The college has implemented several committees to guarantee the seamless and efficient functioning of college operations. These well-defined committees have the responsibility of discussing, choosing, and implementing action plans. The institution's daily operations are carried out by various committees such as the Anti-ragging Committee, Grievances Committee, College development cell, Placement Committee, Community Services Committee, Sports Committee, IQAC, Examination and Internal Assessment Committee, Student Council committee, Alumni Committee, Women's Development Committee, and Practice Teaching Committee.

The college Committee routinely holds meetings with both teaching and non-teaching staff to coordinate and manage various programmes.
