IQAC ROLES AND RESPONSIBILITIES

The IQAC (Internal Quality Assurance Cell) of the institution was created in 2017 and has since organised a range of activities aimed at ensuring and maintaining high standards of quality.

The roles and responsibilities of the Internal Quality Assurance Cell (IQAC) are:

- The institution focuses on developing and implementing precise quality benchmarks and parameters for a wide range of academic and co-curricular activities.
- Enabling the establishment of a student-centered environment that promotes high-quality education and supports faculty development in acquiring the necessary knowledge and technology for interactive teaching and learning;
- Implementation of a system to gather input from students, parents, and other stakeholders regarding institutional processes related to quality;
- Disseminating information regarding many excellent features of higher education;
- Organising workshops and seminars on quality-related topics both within and between institutions, as well as encouraging quality circles;
- Documentation of the several programs/activities aimed at enhancing quality improvement;
- Operating as the Institution's central coordinating body for quality-related tasks, such as adopting and implementing best practices;
- Establishment of a culture of excellence within the institution.
