Catalyst for change: Prof. B.D. Patil's revolutionary contributions to education

Prof. B.D. Patil's journey in education—from empowering girls to establishing diverse institutions—exemplifies the transformative power of knowledge

PROF. B.D. PATIL, Founder and Chairman, Dnyan Ganga Education Trust

world. A man whose profound dedication and innovative approach have left an indelible mark on the educational landscape.

SHAPING BRIGHT FUTURES

Prof. B.D. Patil, a distinguished scholar with a master's degree in Economics and Geography, along with an M.Phil., stands as a beacon of educational excellence. In 1989, the transformative journey of our founder commenced with the establishment of the Dnyan Ganga Education Trust (DGET). His visionary efforts took root with a government-aided Marathi school in Kandivli East, providing education to slum dwellers. When he recognised a critical gap in the slum communities, our founder's vision expanded to address the lack of education for girls. Witnessing the untapped potential and the need for change, he embarked on a mission to empower girl children through education. With unwavering determination, he aimed to provide these young minds with the gift of knowledge, enabling them to spread their wings and soar to new heights. This compassionate commitment to gender equality and education underscores the profound impact that our founder's efforts have had on transforming lives and shaping a brighter future for the girl child.

SCALING NEW HEIGHTS

Over the course of 15 years, his dedicated commitment to academic excellence flourished in Kandivli East. However, his quest for impact knew no bounds, as he extended

his influence on Thane, continuing his mission of shaping young minds. This expansion showcased his unyielding dedication to spreading knowledge and fostering growth, leaving an indelible mark on the educational landscape. In 2004, he laid the foundation of the ICSE Board International School. Recognising the importance of nurturing young minds, Prof. Patil's vision led him to establish a holistic learning environment that transcended borders and embraced global perspectives.

In 2006, his educational odyssey continued with the inception of a junior college affiliated to the Maharashtra Board. This pivotal step demonstrated his commitment to providing quality higher education within the state's framework. The subsequent year witnessed the establishment of a degree college affiliated with the prestigious University of Mumbai, a testament to his aspiration to provide comprehensive academic opportunities.

EMPOWERING THROUGH EDUCATION

Undoubtedly, one of Prof. Patil's most noteworthy achievements was the establishment of the B.Ed College affiliated with the University of Mumbai in 2008. By delving into the realm of teacher education, he demonstrated an astute understanding of the importance of cultivating skilled educators who would shape future generations.

However, the crowning jewel in Prof. Patil's illustri-

ous career was the establishment of DGET College in a secluded area. This move demonstrated his unparalleled foresight and tenacity. Placing an institution of higher learning in an overlooked locale highlighted his commitment to providing education where it was needed the most. This bold decision not only contributed to the socio-economic upliftment of the region but also underscored Prof. Patil's relentless pursuit of inclusivity and equitable access to education.

It is imperative that we draw inspiration from Prof. B.D. Patil's journey. His dedication, resili-

ence, and innovation serve as a guidepost for all educators, students, and stakeholders. His approach emphasises the importance of adaptability, forward-thinking, and a deep-rooted belief in the power of education to transform lives.

To conclude, Prof. B.D. Patil's legacy is a living testament to the transformative impact that a single individual can have on the field of education. His commitment to quality, inclusivity, and pioneering spirit continues to inspire us all. As we celebrate his accomplishments and ongoing contributions, we are reminded that the journey of education is a lifelong pursuit, one that Prof. Patil has embraced with unwavering determination and boundless optimism.

This compassionate commitment to gender equality and education underscores the profound impact that our founder's efforts have had on transforming lives and shaping a brighter future for the girl child

Our progressive institution not only emphasis on the holistic development of students but also inspire them to be a lifelong learner, as learning is an asset which will accompany the owner everywhere. The recent pandemic that has brought a paradigm shift in teaching learning process has proved that learning is indeed a dynamic process. It has taught us how very little we truly need, how much we already have and the value of connection with Man and Nature. We need to adapt ourselves to the changing world and more importantly we need to be the change that we desire to see in the world. Needless to say, Education is the key factor in shaping the budding youth. I would like to congratulate Asst. Prof. Surbhi Sona, Editor-in-Chief, Asst. Prof. Rachna Das, Managing Editor, Asst. The Peer Team reviewed documentary evidence supporting SSR claims, held discussions with faculty members, and toured academic facilities, including classrooms, labs, and the library. Interactions with students, alumni, and parents provided valuable feedback on academic processes and institutional culture.

A working lunch enabled dialogue with the management and university representative, followed by a visit to campus facilities such as the gymkhana, butterfly garden, and vermicompost pit. Later, the team interacted with non-teaching staff and verified office records. The day concluded with a student-led cultural programme and an initial report draft by the team.

The activity promoted awareness of inclusive education policies, highlighted the importance of people’s perceptions, and emphasized the need for attitudinal changes for genuine inclusion. Through this initiative, students deepened their understanding of educational equity and developed a strong sense of responsibility to become advocates for inclusive and supportive learning spaces.

IMPACT AND REFLECTIONS

Through these diverse yet unified activities, DLLE has served as a transformative platform for student-teachers to: -

- Bridge theory and practice
- Engage with societal realities
- Ignite leadership potential
- Foster integrity and civic duty

The year 2024–25 has not only enabled them to serve others but also empowered them to discover themselves—as compassionate educators and socially conscious citizens.

CONCLUSION

As we conclude this enriching chapter, we stand proud of our student-teachers who, through DLLE, have demonstrated that education is not just about learning, but about becoming—becoming empathetic, empowered, and ethical nation builders. The impactful inclusion-themed seminar in April was a defining moment, capturing the essence of what it means to educate for equity, compassion, and transformative change.

Each activity—be it outreach, health awareness, civic engagement, or creative expression—has imbued students with the values of lifelong learning, inclusive growth, and social accountability. They now carry with them the torch of responsibility to foster a more just, inclusive, and sustainable society. We extend heartfelt gratitude to our faculty coordinators, student leaders, and partner communities for contributing to a year of meaningful learning, civic purpose, and collective growth.

collect clay sludge during Ganesh Chaturthi and send it back to artisans

- The intention is to close a gap in the supply chain of clay, which is a reusable material but is currently immersed in water bodies harming the ecosystem and wasting a natural resource.
- Recycling the clay will help to reduce the mining of fresh clay and also keep the river free of external clay deposits from the Ganesh idols.

DATE: 10TH & 11TH FEBRUARY 2025

TIME-6.00-8.00 PM

Workshop Summary

Dnyan Ganga Education Trust's College of Education (B.Ed.), Thane (W), NAAC Accredited B+ (Cycle 1), organized a National Level Online AI Tool Workshop on 10th & 11th February 2025 with the theme "Empowering Education with AI." In alignment with the vision of NEP 2020 to integrate technology and promote 21st-century skills, the workshop aimed at equipping educators with essential AI tools to enhance both teaching-learning and research practices.

DAY 1, SESSION 1

Session 1: "One Classroom, Many Learners: VARK, Themes & Inclusion"

Dr. Apoorva Panshikar enlightened us on the importance of understanding diverse learning styles— Visual, Auditory, Read/Write, and Kinesthetic (VARK). She beautifully emphasized that "Every student can learn, just not on the same day or in the same way." Her session reinforced the need to design classrooms that celebrate inclusion and adaptability, ensuring that no learner is left behind.

DAY 1, SESSION 2

Session 2: "Teaching That Cares: Holistic Lesson Design for Every Learner"

Dr. Arpeeta Bhatia took us on an inspiring journey of compassionate and holistic lesson planning. She reminded us that education is not just about covering the syllabus but about uncovering the potential in every child. As Aristotle said, "Educating the mind without educating the heart is no education at all." This session gave us practical strategies to design lessons that foster empathy, curiosity, and deeper understanding.

DAY 1, SESSION 3

Session 3: "Catering to the Multilingual Classroom"

Mr. Ketan Kamble shed light on the beauty and challenges of multilingual education, emphasizing that language should be a bridge, not a barrier. He shared powerful techniques to create inclusive, culturally responsive classrooms where every student feels heard and valued. His session reinforced the essence of NEP 2020's vision—that learning in one's home language can be a game-changer in cognitive and emotional development.

DAY 2, SESSION 1

Session 1: "Assess to Progress: HPC & Growth-Oriented Feedback"

Dr. Nikita Kothari gave us a refreshing perspective on assessment—not as a tool for judgment but as a means for progress. She introduced us to the Holistic Progress Card (HPC), emphasizing that assessments should empower, not discourage, learners. Her session resonated deeply with the idea that "Feedback is the breakfast of champions,"—highlighting the importance of constructive, growth-oriented evaluation methods that nurture skills, creativity, and emotional intelligence.

DAY 2, SESSION 2

Session 2: "Digital Pedagogy - The Future of Learning"

Dr. K. Thiya took us on a futuristic journey into the world of digital pedagogy, ed-tech tools, and tech-driven classrooms. He showed us how to integrate technology seamlessly into teaching, making learning interactive, immersive, and student-centric. As Bill Gates once said, "Technology is just a tool. In terms of getting the kids working together and motivating them, the teacher is the most important." This session reminded us that while digital tools are powerful, it is the teacher who truly brings learning to life!

DAY 2, SESSION 3

Session 3: "The Symphony of Learning: Art as a Catalyst for Education"

Dr. Hemali Joshi left us mesmerized with her passionate insights on art-integrated learning. She showed us how creativity, music, and visual arts can make lessons more engaging, expressive, and impactful. Her session was a beautiful reminder that "Art is not a subject; it is a way of thinking". She encouraged us to break the monotony of traditional teaching and embrace art as a powerful medium for deeper understanding and joyful learning.

LITERARY AND ART SECTION

“Responsibility at young age”

The children who got responsibility at a small age ,
I know your life was different from other children and was not
savage.

The children who got responsibility at a small age ,
Life showed you the cruel side at a faster pace
You will surely rank first in life's race .

The children who got responsibility at a small age ,
When you were struggling people of your age were smoking
cigarette

When they will face your situation they will surely regret it.

The children who got responsibility at a small age ,
Life always teaches everyone a good lesson
But life was sure you will surely solve all the problems with
passion.

The children who got responsibility at a small age ,
Nowadays even small kids are doing online shopping
But you chose to do efforts by doing moping .

You will surely go to school and learn like others
In few years you will complete your dream with flying
feathers.

Where My Childhood Lives

Sweet and sour, every moment, every hour,
Spent in memories that still hold power.

Blaming myself for that silliness,
Yet hoping to relive that happiness.
It's a part of me, and I'm a part of it—
This childhood has become my soul.

That classroom, that playground,
That school bell—wasn't it a melody?
Those friendships that never grow old,
Those teachers whose lessons still guide me.

It's sad that I can't bring it back,
Even though I wish for it every day.
Time flies, and people change,
But memories stay like a photograph—
Forever with us, never to fade.

मला माझ्या शाळेत नेत आहे

आज का कुणास ठाऊक मन भरुन येत आहे ,
ईथुन तथुन, हड्डून फरून, मला माझ्या शाळेत नेत आहे,
नवीन दप्तर, नवीन अभ्यास
नवीन मत्तिर अन नवा ध्यास ,
तेव्हा नाही कळले पण ,आता कळत आहे ,
त्या जुन्या आठवणीसोबत सुर्य रोज मावळत आहे ,
खुप काही शकिले , खुप काही लहीले , पण
माझ्या शक्षकांसारखे नाही कोणी पाहीले ,
नमन आहे त्या शक्षकांना, नमन आहे त्या शाळेला ,
काय सांगू अन कर्ती सांगू पुन्हा मन भरुन येत आहे ,
ईथुन तथुन, हड्डून फरून मला माझ्या शाळेत नेत आहे.

Echoes of a Lifetime

In Childhood's Arms

With tiny hands and eyes so bright,
We chase the stars; we dream in light.

The world's a song, so pure, so new,
With laughter sweet and skies so blue.

Through Youthful Strides

We grow, we fall, we rise again,
Through love and loss, through joy and pain.

The dreams we chase, the paths we find,
Some stay with us, some fall behind.

In Adulthood's Race

The weight of time, the trials grow,
Yet through the storm, our spirits glow.

We build, we break, we learn to see,
That life's not just what's meant to be.

In Wisdom's Embrace

The years now whisper, soft and wise,
With silver strands and knowing eyes.

We smile at life, once fast, now slow,
As love remains and memories glow.

A Gentle Goodbye

And when it's time to rest, to leave,
Don't shed a tear, don't start to grieve.

For life's not lost, it lingers true,
In hearts we touched, in skies so blue.

Growing Older

Growing older is a great experience,
It taught us life's math and science
The syllabus of life may be limited or wide
But it always showed us both the good & ugly side.

Growing older is a great experience,
Life gave us both family and friends
We celebrate our joy with both of them
But we never know at what time they may leave us and when.

Growing older is a great experience,
Karma is the crucial lesson in everyone's life
The lessons are as important as your wife
It serves you the great menu at the right time & venue.

Growing older is a great experience,
Hope you would be life's favorite child
But never make the mistake of taking the life lenient & mild.

शाळा

उमगला मला काळा फळा,
जेव्हापासून माझी नाळ जोडली गेली शाळा.
शाळेमध्ये शशक्षक येतात आपल्यासाठी शशक्षणाच्या ज्ञानाचा झरा घेऊन ,
आपण सुद्धा होऊ या झरयांमध्ये चचांब शशक्षणाचे थोडे ज्ञान घेऊन.
शशक्षणाशशायि जीनाला अथथ नाही,
मेहनत केल्याशशायि प्रयतनांना यश नाही.
आपल्या पांखांना बळ देते शाळा,
म्हणूनच आपल्याला लागतो ततचा खूप लळा.
शाळा म्हणजे आपले दुसरे घर,
तयामुळेच शाळा ददसतात जुळती आपले कर
शाळेचे आपण राहू नेहमी ऋणी
शाळा बसते आपल्या नेहमीच मनी

लेक

लेक मी लाडकी होती,
तुझ्या कुशीत मी वाढली होती,
तुझ्यासोबत लुडबुडण्याची स्वप्न मी रेखली
होती,
तुझ्या कुशीत मी वाढली होती.

माझ्या जन्माची बातमी ऐकून, खुश तू झालीस,
माझ्यासाठी तू बेभान झालीस.

आठवत आहे...
तुझ्या भोवती दरवळणारा मोगऱ्याचा वास,
कारण तोच माझ्या जीवनाचा पहिला श्वास.
स्पशश माझा लाभल्यास गहवळून तू आलीस,
माझ्या काळजाचा तुकडा, म्हणून तू रडलीस.

पण कळले जेव्हा मी आहे एक मुलगी,
तुटून गेली तुझ्या हास्याची सुलगी.

एकदा मला जन्म देऊन पहायचं तर होतं ना, आई....
पैजणाच्या आवाजाने घुमले असते सारे घर.
माया लेकीची माया तुला कळली असती,
मी तुझ्या कुशीत दडून राहिली असती....

आई, रोज तू देवीची पूजा करतेस,
लक्ष्मीच्या रूपात आलेली मुलगी तुकरवतेस.
अशी कशी तू दगडाच्या काळजाची झालीस?
बाई बनून तू बाईचीच वैरीन झालीस.

असेल माझे हे दुःशास्य,
पण नक्की पुढच्या जन्मी,
घेऊन येईन मी सौभाग्य.

सांग मला तू मुलगी म्हणून जन्म देशील ना ग
आई?
मला तुझ्या कुशीत वाढवशील ना आई?
सांग ना आई?
बोल ना आई ?
मुलगी म्हणून तू मला स्वीकारशील ना आई?

कुछ तस्वीर बहुत कुछ कह जाती है,
मन के अखीर अन्दों को,
वस ग्रहणों से दर्शाती है।
उंचे ठंढे सवाल के आगर की
कुछ बूंदें अलकाती है।
कुछ तस्वीर बहुत कुछ कह जाती है।

आँखों की भाषाओं जो अमझ ना पार
अनसुने कहानी की किस्से जो अमझ ना पार,
वो भारी बोते एक छोटी तस्वीर बख्ताती है
कुछ तस्वीरें बहुत कुछ कह जाती है।

पलकों से छिपे दर्द की आह,
सुरकुल्लहों से लिपटे अर्द रातों की आँख
मन से छिपे धनों की वरशात
सफ़ी से छिपते कुछ अहुरे से खतात।

न जाने क्यों इतनी गुरिक्ल है,
बातों को अमझाना
अरलता की धागों से,
किस्से को अलझाना।

क्यों है शहर उल्लेख दूर से
अथाह में अनंत से विस्मय दूर से,
वस तस्वीर वन राह पाती है

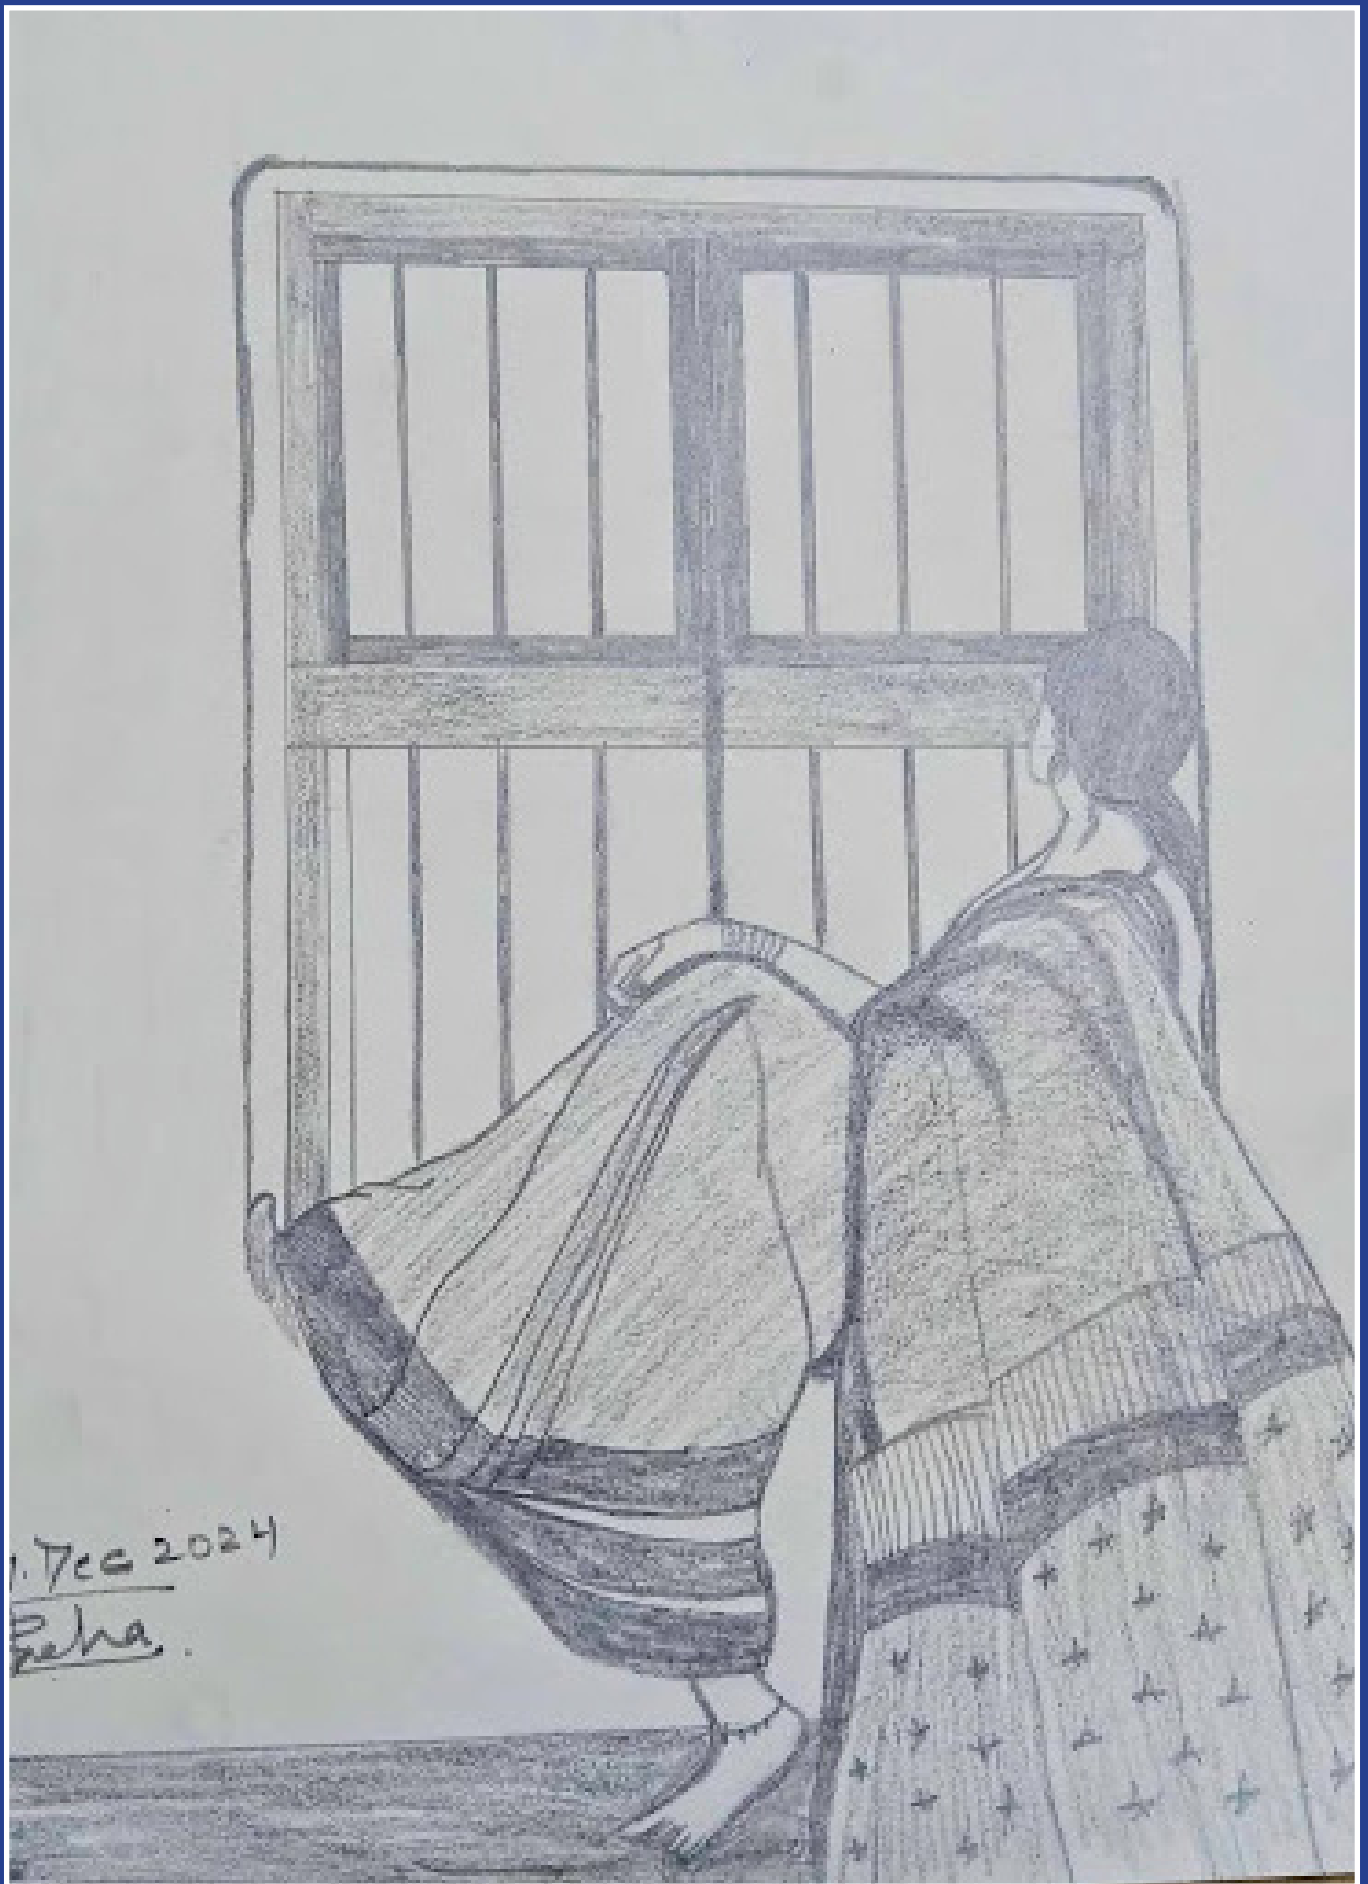

क्योंकि

कुछ तस्वीरें बहुत कुछ कह जाती हैं
