- **External Theory Examination (60 Marks):** Conducted by Mumbai University at designated centers. The papers feature an option-based descriptive format (2 hours duration).
- **Internal Assessment (40 Marks):** Administered internally by the colleges. Comprises formal class tests (15 Marks), academic assignments/essays (20 Marks), and active institutional attendance/participation (5 Marks).

Mandatory Passing Split: To successfully pass a course, a candidate must secure a minimum of 40% marks independently in both the Internal Assessment (minimum 16 out of 40) and the External Theory Examination (minimum 24 out of 60).

4. ATKT Progression & Academic Retention Rules

A student who fails to clear specific subjects will receive an Allowed to Keep Terms (ATKT) status, governed by the following progression rules:

- 1. Semester I to Semester II:** A candidate is permitted to progress cleanly from Semester I to Semester II irrespective of any backlogs in Semester I.
- 2. Semester II to Semester III:** A student must have fully cleared all academic courses of Semester I and Semester II, OR they should not be holding more than three combined failures/backlogs across both semesters.
- 3. Semester III to Semester IV:** Progression is permitted if the student has passed Semester I and II completely and carries no more than three failing heads in Semester III.

All registration procedures, revaluation applications, and external supplementary exams are systematically administered online through the university's central Samarth Portal.
